

# International Education Leads Forum

**21.10.24**

**Presentation of the Website and  
the adaption of materials to  
Norwegian context**

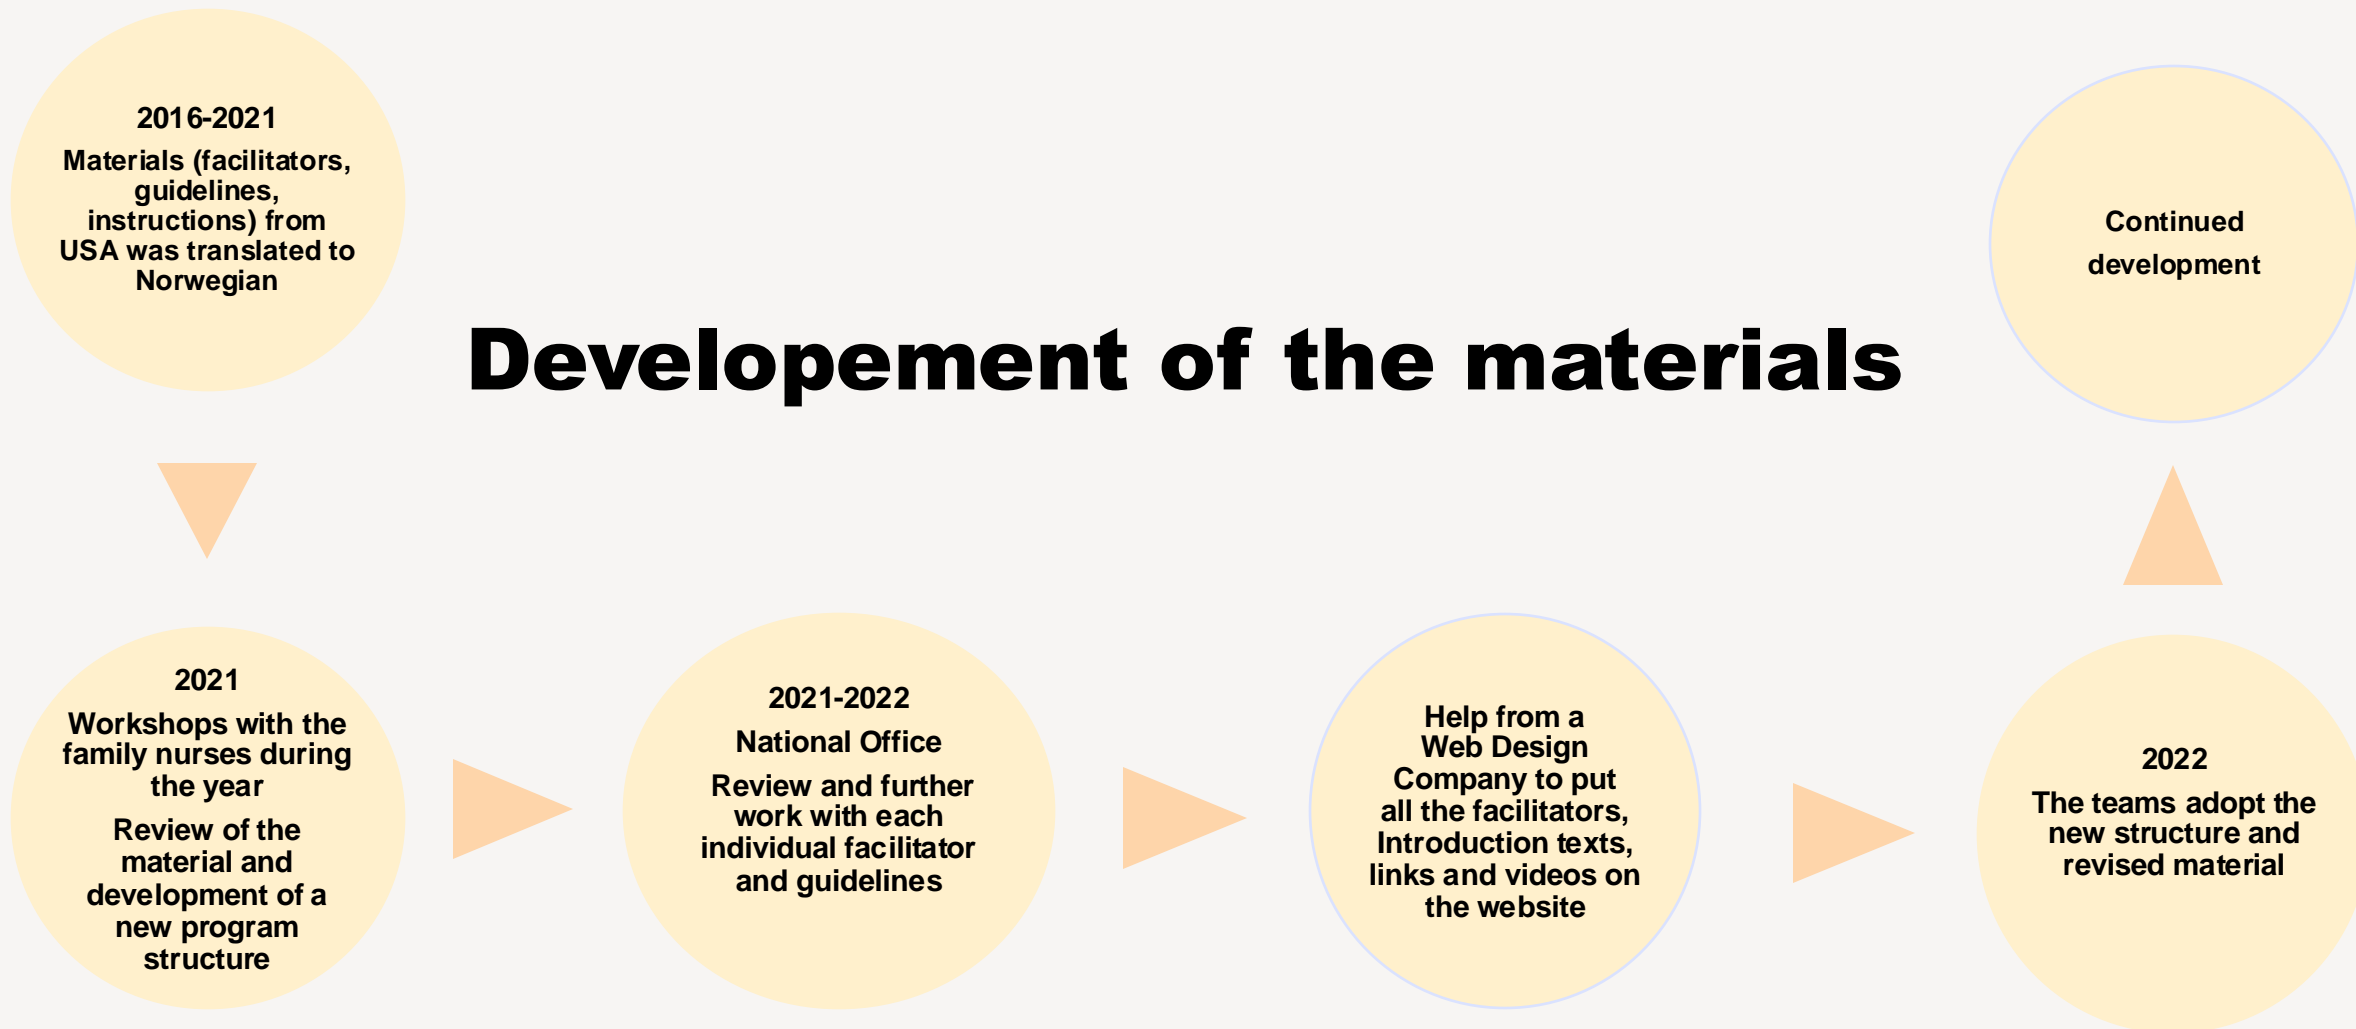

# From the start in Norway in 2016

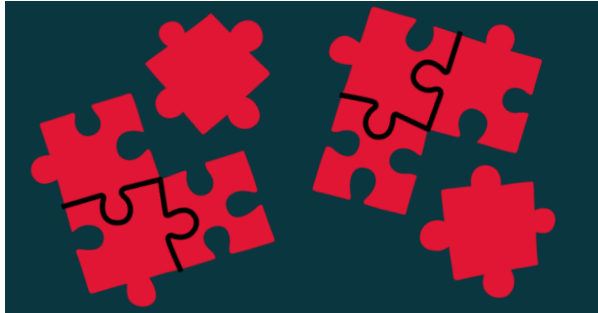

---

- All the materials in English
  - Need to adapt to the Norwegian context
  - During 2020/21 we worked towards adaption and launching a website.
1. Open Website
  2. Website with log in:
    - Access to facilitators and other materials on the iPad
    - Be able to print the facilitators and materials
    - Easy to find facilitators on the Website, with good options for searching

# Development of the materials

Access to good professional articles

Links to recommended and quality assured websites collected in one place

Access to facilitators on iPad and PC.

Option to print directly from the website (pdf) if you wish to print

# Five program areas

1. Family and Network
2. Child and Parental role
3. Personal Health
4. Life Course Development
5. Health and Human Services

Log in

**Sammen på vei**  
Nurse-Family Partnership®

# Follow-up during pregnancy and early childhood

Together on the road is a voluntary follow-up program for women with complex challenges who are about to become mothers for the first time

# Demonstration of the Website with Log in
