

Key feedback from countries

TIMING/FREQUENCY OF
MEETINGS

EFFORT/WORKLOAD OF
PEER REVIEW PROCESS

ENSURING MEETINGS ARE
VALUABLE/MEANINGFUL

Moving Forward

We will continue with the work as outlined for first 12 months

Evaluation period at the end of the year

We welcome regular feedback and appreciate everyone's willingness to try this new way of working

In the future, we can look towards meeting less often -

Work plan- 24/25

Education Leads Forum

- Working on Quality Improvement project →
- Supporting Mothers whose children are in Care
- Preliminary stage to be documented and submitted to Child Abuse & Neglect Special Issue

Clinical Advisory Group

- Sexual & Reproductive Health pathways
- Cultural Sensitivity
- Review of Reflective Supervision

England & Scotland share insights from peer review process

- England reviewed Ontario's annual report
- Scotland reviewed Norway's annual report
